WHO WE ARE

Kalp Tools and Industrial Solutions Pvt. Ltd. is a trusted partner for industrial tooling, precision engineering and turnkey manufacturing solutions.

With 25+ years of technical experience, we support industries with high-quality products, reliable supply, and engineered solutions that accelerate productivity.

KEY HIGHLIGHTS

- Founded in **1998**
- Strong presence **Across India** with global partnerships
- Serving **6+** industrial sectors
- Global partners from **6 Countries**

WHAT WE DO TODAY

INDUSTRIAL SUPPLY

Authorized + extended sourcing for tools, equipment, and safety products.

ENGINEERING SOLUTIONS

Custom fixtures, tooling, and SPM development powered by in-house capabilities.

PROCESS IMPROVEMENT

Technical consultation, cycle-time studies, and optimization for manufacturing.

WHY CUSTOMERS TRUST US

- **GLOBAL PARTNERS FROM 6 COUNTRIES**
- **STRONG TECHNICAL EXPERTISE**
- **IN-HOUSE ENGINEERING & MANUFACTURING**
- **RELIABLE, CONSISTENT DELIVERY**

**EVOLVING SINCE 1998
FROM A TECHNICAL
CONSULTANCY TO A
FULL-SCALE INDUSTRIAL
SOLUTIONS PROVIDER.**

VISION

**TO BE A TRUSTED GLOBAL PARTNER DELIVERING INNOVATIVE ENGINEERING
AND INDUSTRIAL SOLUTIONS**

MISSION

EMPOWERMENT THROUGH INNOVATION

Developing cutting-edge, efficient solutions.

CUSTOMER-CENTRIC APPROACH

Anticipating and solving client challenges.

SUSTAINABILITY AND RESPONSIBILITY

Promoting eco-friendly and responsible operations.

COLLABORATION AND PARTNERSHIP

Partnering for long-term success.

CONTINUOUS IMPROVEMENT

Refining products, processes & services

OUR CORE SERVICE'S

INDUSTRIAL SUPPLY SOLUTIONS

We provide reliable sourcing for:

- Cutting tools
- Torque tools
- Hand tools
- Measuring instruments
- Abrasives
- Power & pneumatic tools
- Safety equipment

ENGINEERING & MANUFACTURING SOLUTIONS

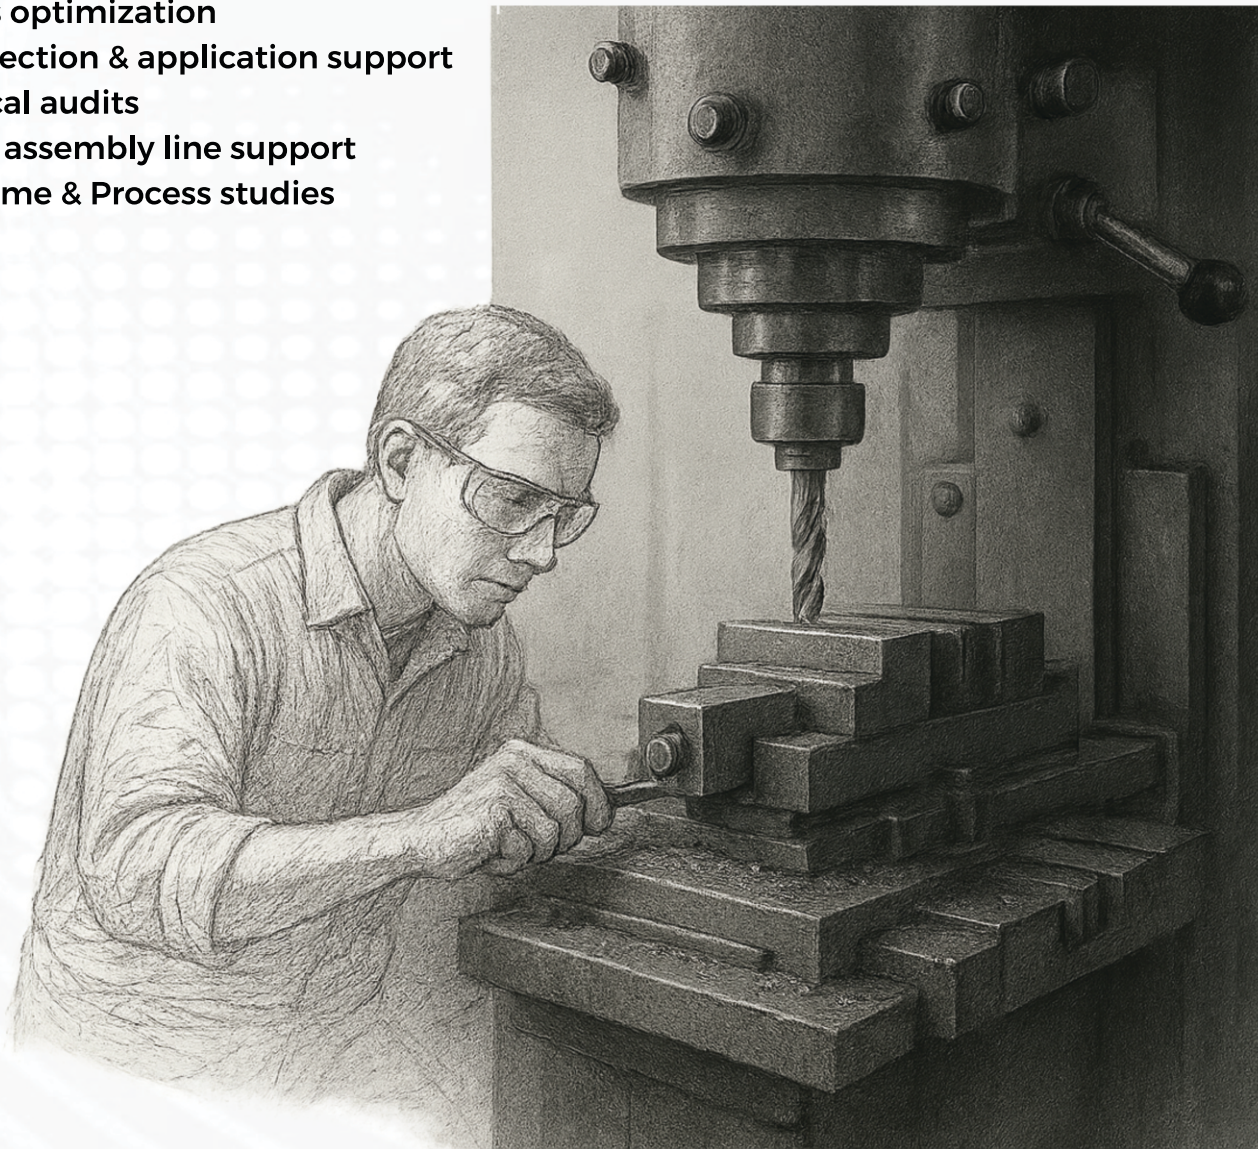

Our in-house team delivers:

- Custom Design Fixtures
- Special Toolings
- SPM Development
- CNC machining
- New Product development Fixture

TECHNICAL SUPPORT & INTEGRATION

We assist with:

- Process optimization
- Tool selection & application support
- Technical audits
- On-site assembly line support
- Cycle-time & Process studies

INTEGRATED SUPPLY SOLUTIONS

WE PROVIDE A SINGLE-WINDOW INDUSTRIAL SUPPLY MODEL THAT INTEGRATES AUTHORIZED SOURCING, TECHNICAL VALIDATION, AND EXTENDED VENDOR SUPPORT UNDER ONE PLATFORM — ENSURING SEAMLESS, RELIABLE, AND FAST PROCUREMENT

30% FASTER PROCUREMENT

Consolidated sourcing reduces follow-ups and delays.

95% PRODUCT FULFILMENT CAPABILITY

Broad vendor network ensures availability of required tools.

98% ON-TIME DELIVERY

Reliable and predictable supply performance.

TECHNICAL EXPERTISE BUILT-IN

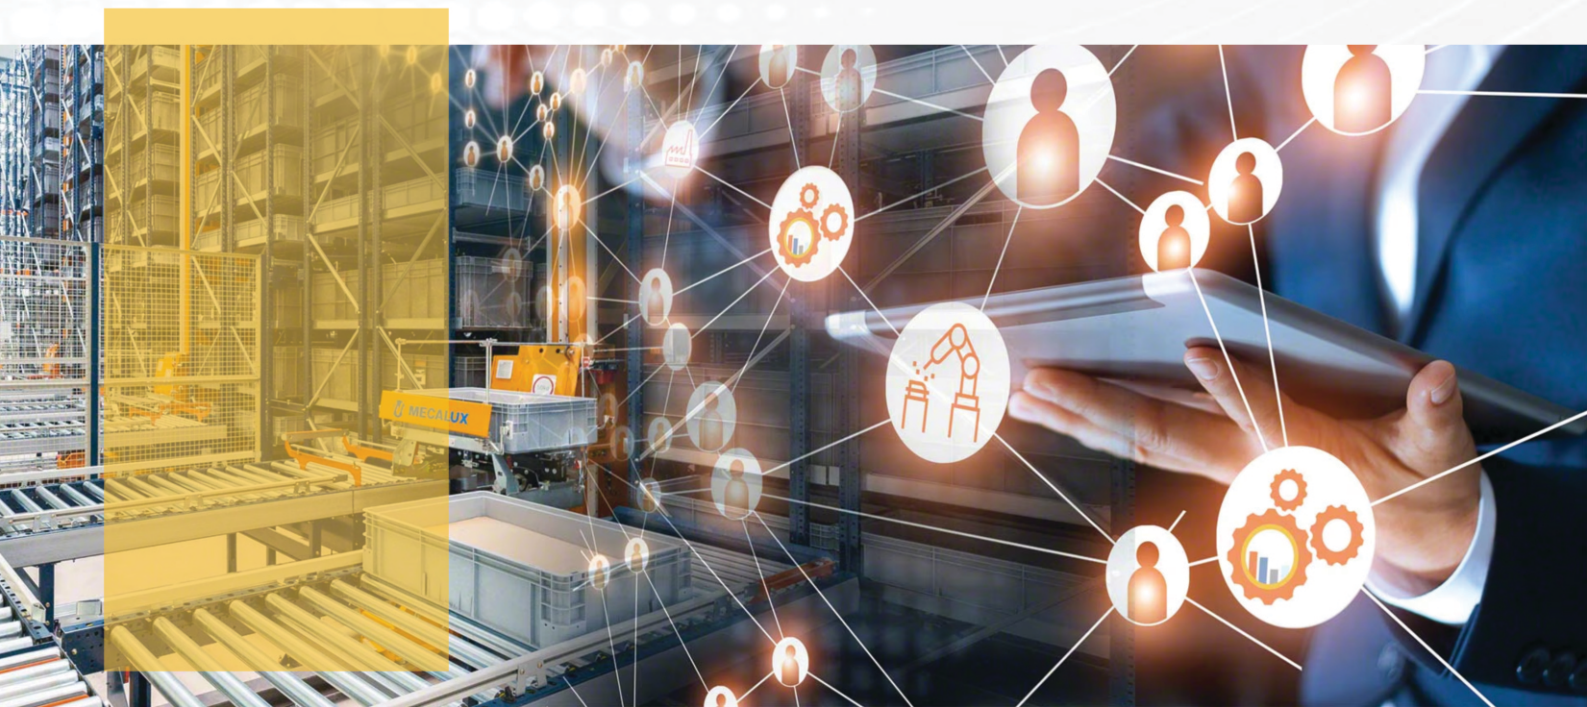

Selection, verification, and application support.

AUTHORIZED + EXTENDED SOURCING

Flexibility to meet urgent & non-standard requirements.

ONE-STOP INDUSTRIAL SOLUTION

Tools, safety, consumables—all in one place

TURNKEY PROJECTS

We deliver complete end-to-end turnkey engineering solutions for manufacturing and assembly systems – from concept to commissioning.

OUR 6-STEP PROCESS

REQUIREMENT STUDY

Component analysis, time-motion studies, workflow mapping

PROCESS OPTIMIZATION

Cycle-time reduction, ergonomic enhancement, layout improvements

CONCEPT & DESIGN

3D modeling, fixture and tooling concepts, design validation

INSTALLATION & COMMISSIONING

On-site setup, testing, validation, and prove-out

TOOLING & FIXTURE DEVELOPMENT

Standard + special tooling tailored to client needs

TRAINING & HANDOVER

Operator training and maintenance guidance

CUSTOMER BENEFITS

INCREASED PRODUCTIVITY

Optimized workflows reduce cycle time and increase output.

FASTER LEAD TIME

Quick deployment and accelerated time-to-market.

IMPROVED QUALITY

Custom fixtures & precision tooling ensure consistency

SKILLED WORKFORCE

Training ensures better handling and maintenance

COST EFFICIENCY

Lower rework, scrap, and operational waste.

TAILORED SOLUTIONS

Engineering aligned with unique production requirements

OUR PRODUCTS

- ✓ Turning Solutions
- ✓ Industry 4.0 Solutions - Tools & Process monitoring
- ✓ Angle heads & Drive tools
- ✓ Parting & Grooving Solutions
- ✓ Deep Hole Drilling
- ✓ Special PCD & CBN Tools
- ✓ Solutions for sliding heads
- ✓ Special tools and semi standards tools
- ✓ Bar Peeling & Tube Scarfing
- ✓ Deburring Solutions
- ✓ Micro tools

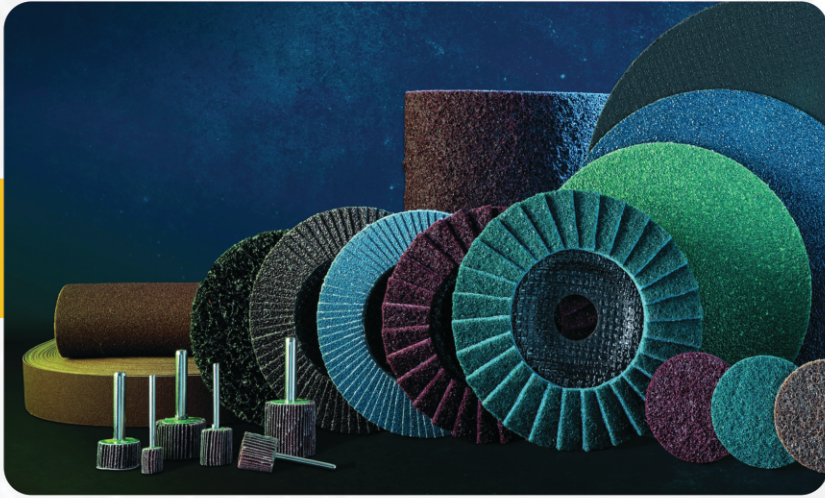

TORQUE TOOLS

- ✓ Electronic torque wrenches
- ✓ Calibration services
- ✓ Hand Torque Multipliers
- ✓ Torque screw driver & Torque wrenches
- ✓ Customised reaction arm & Fittings
- ✓ Powerd torque tools

OUR PRODUCTS

ABRASIVES

✓ Polishing & Lapping

✓ Flap Wheels

✓ Carbide burs

✓ Sanding & Cutting Disc

POWER TOOLS & ACCESSORIES

✓ Pneumatic Impact wrench

✓ Pneumatic Screwdrivers

✓ Pneumatic Grinders & Sanders

✓ Pneumatic Hammer & Riveters

✓ Electric power tools

✓ Battery operated power tools

✓ Spring Balancers

✓ Customised Reaction Arms

✓ Customised Sockets & Assembly Fixture

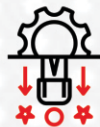

OUR PRODUCTS

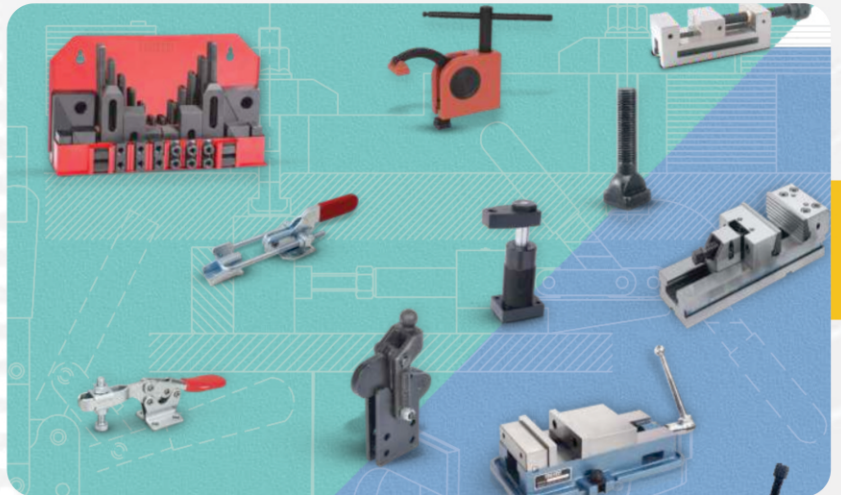

MEASURING INSTRUMENTS

- ✓ Calipers, Micrometers, & Dial Gauges
- ✓ Magnetic Stands
- ✓ V Blocks
- ✓ Volatges Tester
- ✓ Multimeters

- ✓ Temperature Gauges
- ✓ Gauge Blocks
- ✓ Gauges
- ✓ Hardness Tester
- ✓ Surface Roughness Measuring Tools

CLAMPING SOLUTIONS

- ✓ Clamping Kits
- ✓ Fixture Clamps
- ✓ Precision Milling & Grinding Vices
- ✓ Toogle Clamps
- ✓ Clamping elements :
T bolt, T nut, Studs, Clamps,
Screw jacks

- ✓ Pneumatic Clamping Solutions
- ✓ 5 - Axis Vices Zero point clamping tower
- ✓ Vaccume Fixture
- ✓ Magnetic Chucks
- ✓ Other Clamping Accessories

OUR PRODUCTS

HAND TOOLS

- ✓ Spanners & Pliers
- ✓ Files & Hammers
- ✓ Hexagon - Keys
- ✓ Socket sets
- ✓ Screw drivers
- ✓ Crimping Tools
- ✓ Insulated Tools
- ✓ Non Sparking tools
- ✓ SS Tools
- ✓ Toolkits
- ✓ Rollercabinet & Workstations

LUBRICANTS & CHEMICAL PRODUCTS

- ✓ Aerosol
- ✓ Antifriction Coatings
- ✓ Antiseize compounds
- ✓ Cleaner
- ✓ Grease
- ✓ Oils
- ✓ Rust Prevention
